Login

A login web application is a digital platform that enables users to access restricted online services by providing valid credentials, typically a username and password.

Login Credentials for Myezcare Web Application

- URL: (company name).myezcare.com
- User Name: (Check myezcare email - Employee Registration Notification)
- Password: Create your own strong password with 10 Digit (using uppercase, lowercase, numbers and symbols)

The image shows a screenshot of the MyEZcare web application interface. On the left, there is a dark blue login section titled "Login into account" with the instruction "Use your credentials to access your account." It features input fields for "Username" and "Password", a "Remember" checkbox, a "Forgot Password?" link, and a red "LOGIN" button. Below the login fields are buttons for "GET IT ON Google Play" and "Download on the App Store". The MyEZcare logo is in the top right corner of this section. On the right, there is a light blue announcement section titled "Announcement" with a megaphone icon. It contains the text "What's new in Ver. 2.1.36" and "Posted On: 6/24/2023". Below this, there are sections for "Bugs:" (listing UI fixes) and "Features:" (listing new options for skipping task lists and changing schedule hyperlinks). At the bottom of the announcement, there is a feedback request: "Your feedback is very valuable to us to improve the features and enhancement. Please provide your feedback by emailing us at helpdesk@myezcare.com".

If the Account has been locked due to incorrect password, the user can use the option Forgot Password to unlock the account.

Login into account

Use your credentials to access your account.
