Employee Billing Report

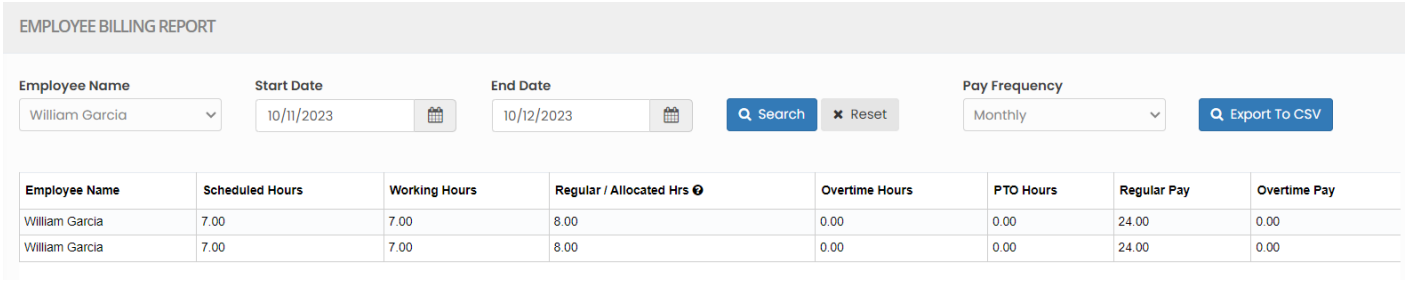

Employee billing hours refer to the number of hours worked by caregivers providing services to patients in Adult Day Care. These hours are vital for calculating employee compensation, compliance with labor laws, and accurate documentation of care, ensuring proper reimbursement and quality patient care.

> **Timesheet >> Employee Billing Report**

To run the Employee Billing Report, the user can select the Employee from list and update the Start Date and End Date and click Search option. The Employee working hours, Over time hours and pay details can be viewed in this screen.

The user can set the Pay Frequency for paying the Employee for their visits in the system. Click Pay Frequency dropdown option and select the Pay Frequency.

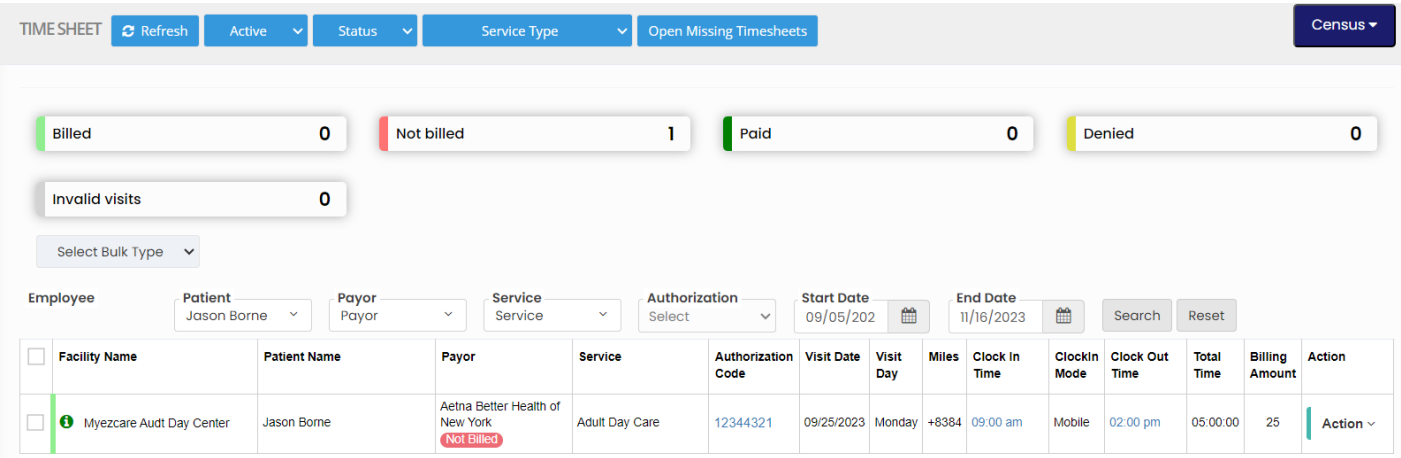

Visit Report

A Visit Report is a digital record summarizing a caregiver's visit to a patient's in Adult Day Care. It includes essential data such as date, time, tasks performed, patient information, payor information and billed amount for the Visit.

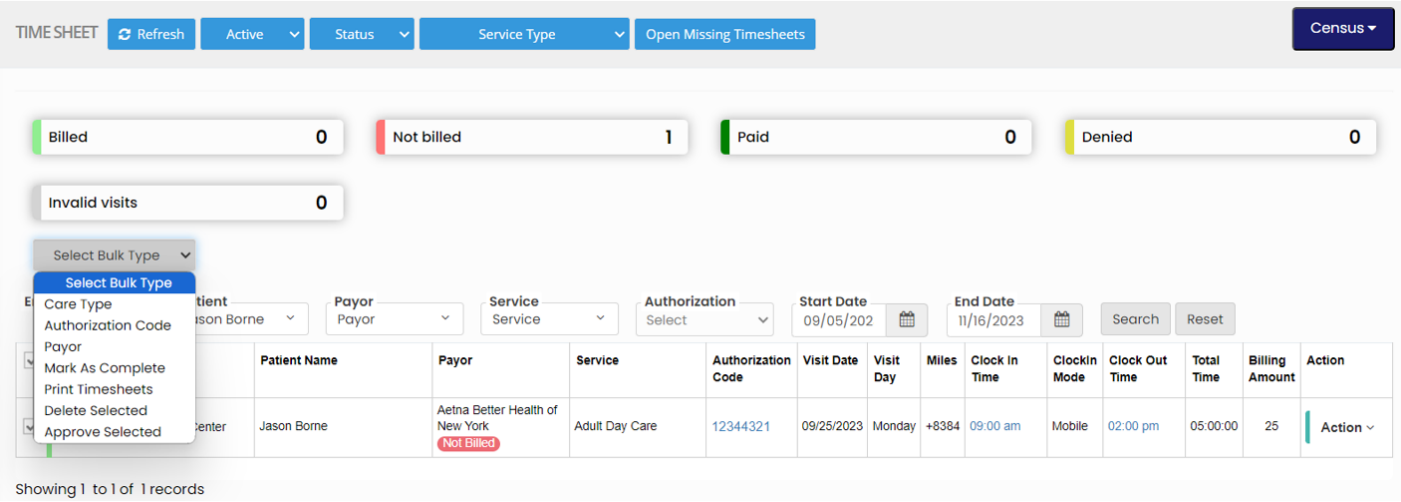

> **Scheduling >> Visit Report**

The user can view the Visit Report of the patient in this screen. The filter options helps to get the data of the Visit report accurately.

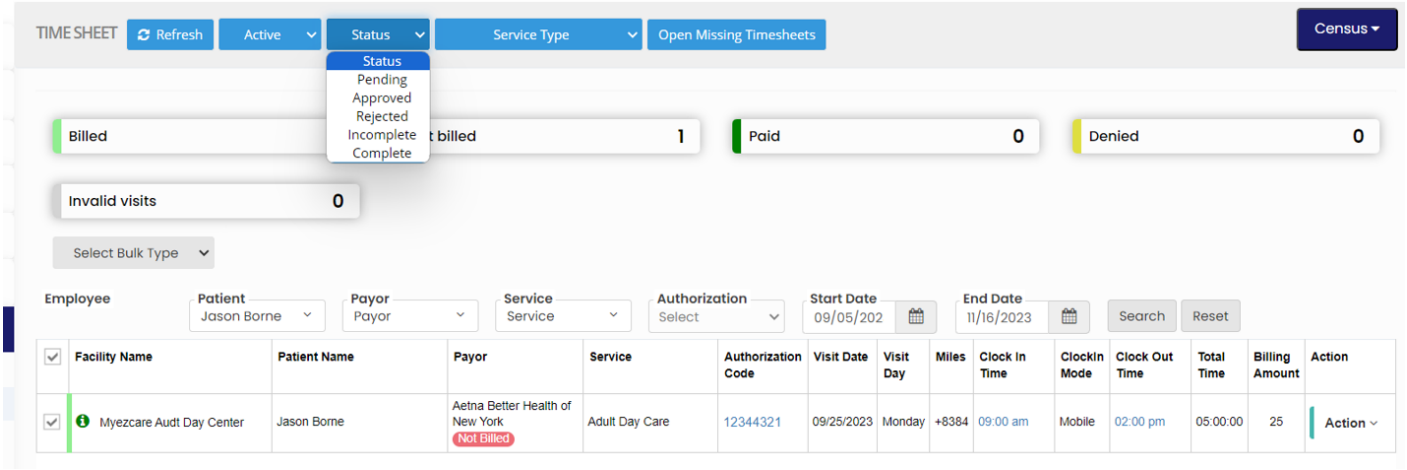

Bulk Update Timesheet

The user can Bulk update the Care Type, Authorization code and Payor of the patient using the option Select Bulk Type.

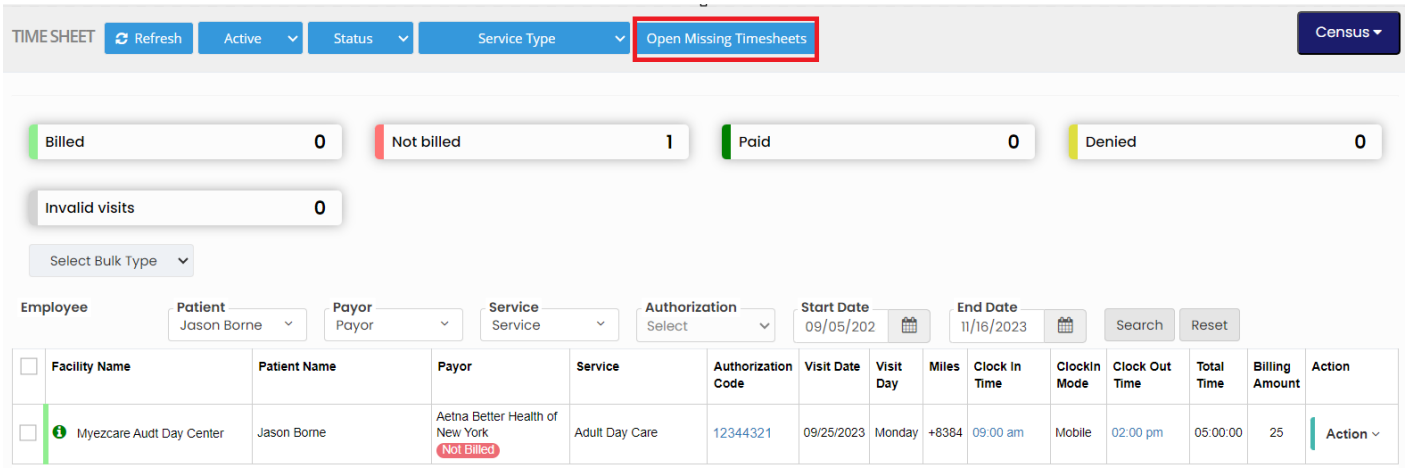

The Timesheet can also be filtered by the Status of the Visits like Pending, Approved, Rejected, Complete and Incomplete by using the option Status.
