

Document Management

Document management in Adult Day Care involves efficiently organizing and storing patient records, treatment plans, and related documents to ensure high-quality care.

Note: All Fields marked with * are mandatory and must be filled out, otherwise the system will generate an error indicating that the required information is missing.

Adding New Folder

To navigate through the process of adding Document Management, follow these steps:

Settings >> Document Management

For Adding new Folder, select the User type Referral/ Employee and update the required information in Edit Document management screen and click the option Show To All - Yes/No. When the user select the option Yes, then the Folder will be added to all the Client / Employee in the system. If the user select No option, then the Folder will be added only to the particular Client / Employee selected under the Assignee field.

Adding New Sub-Folder

To navigate through the process of adding Document Management, follow these steps:

Settings >> Document Management

For Adding new Sub-Folder, select the user type Referral/ Employee, select the Folder name in which the sub folder has to be added and update the required information in Edit Document management screen and click the option Show To All - Yes/No. When the user select the option Yes, then the Folder will be added to all the Client / Employee in the system. If the user select No option, then the Folder will be added only to the particular Client / Employee selected under the Assignee field.

A screenshot of the 'Edit Document Management' form. The form has a title bar 'DOCUMENT MANAGEMENT' and a subtitle 'Edit Document Management'. It contains several fields: 'User Type*' (dropdown with 'Referral' selected), 'Assignee*' (dropdown with 'Clark, Samuel' selected), 'Documentation Type*' (dropdown with 'Internal' selected), 'Folder / Subfolder*' (dropdown with 'Subfolder' selected), and 'Folder*' (dropdown with 'Care Plan' selected). There are also 'Save' and 'Cancel' buttons at the top right. Below these are 'Subsection Name*' (text input with '2023'), 'Role*' (dropdown with 'Administrator, Clinical Team, ...'), 'Is Time Based?' (dropdown with 'No'), 'Attached Template Form' (text input), and 'Show To All' (radio buttons for 'Yes' and 'No', with 'No' selected).

Editing Sub-Folder

Settings >> Document Management

Select the Sub-Folder from List and click Edit option on the right side of the screen.
