

Employee List

An employee list for an adult day care facility is a comprehensive roster of staff members, including caregivers, nurses, administrators, and support personnel. It typically includes their names, contact information, roles, certifications, and work schedules, ensuring efficient operations and compliance with regulatory requirements in providing care and support to adult clients.

Bulk update Employee Group

The Employee Group information can be bulk updated for the list of employees in the system. Click the check-box before the Employee ID in employee list and click Update Group.
