Facility House

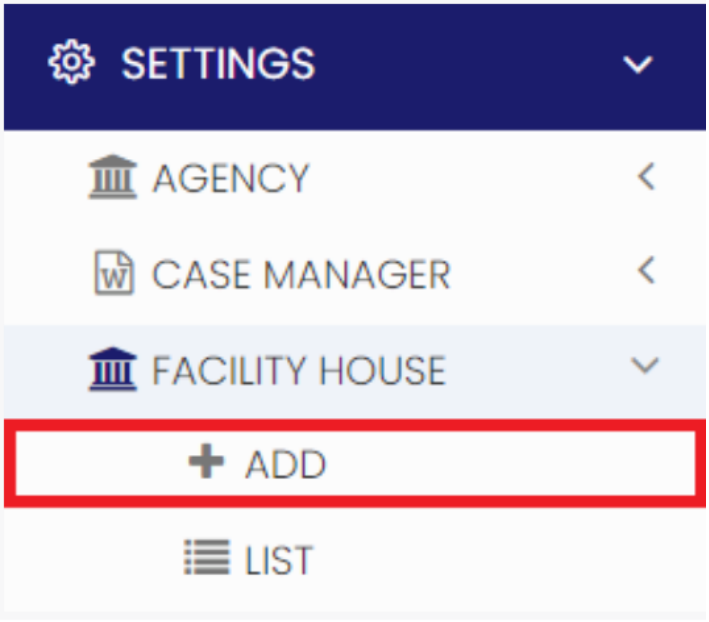

A facility house in Adult Day Care provides a supportive environment for older individuals, offering various activities and services. It ensures a safe and engaging space, promoting social interaction, cognitive stimulation, and personal care.

> Note: All Fields marked with * are mandatory and must be filled out, otherwise the system will generate an error indicating that the required information is missing.

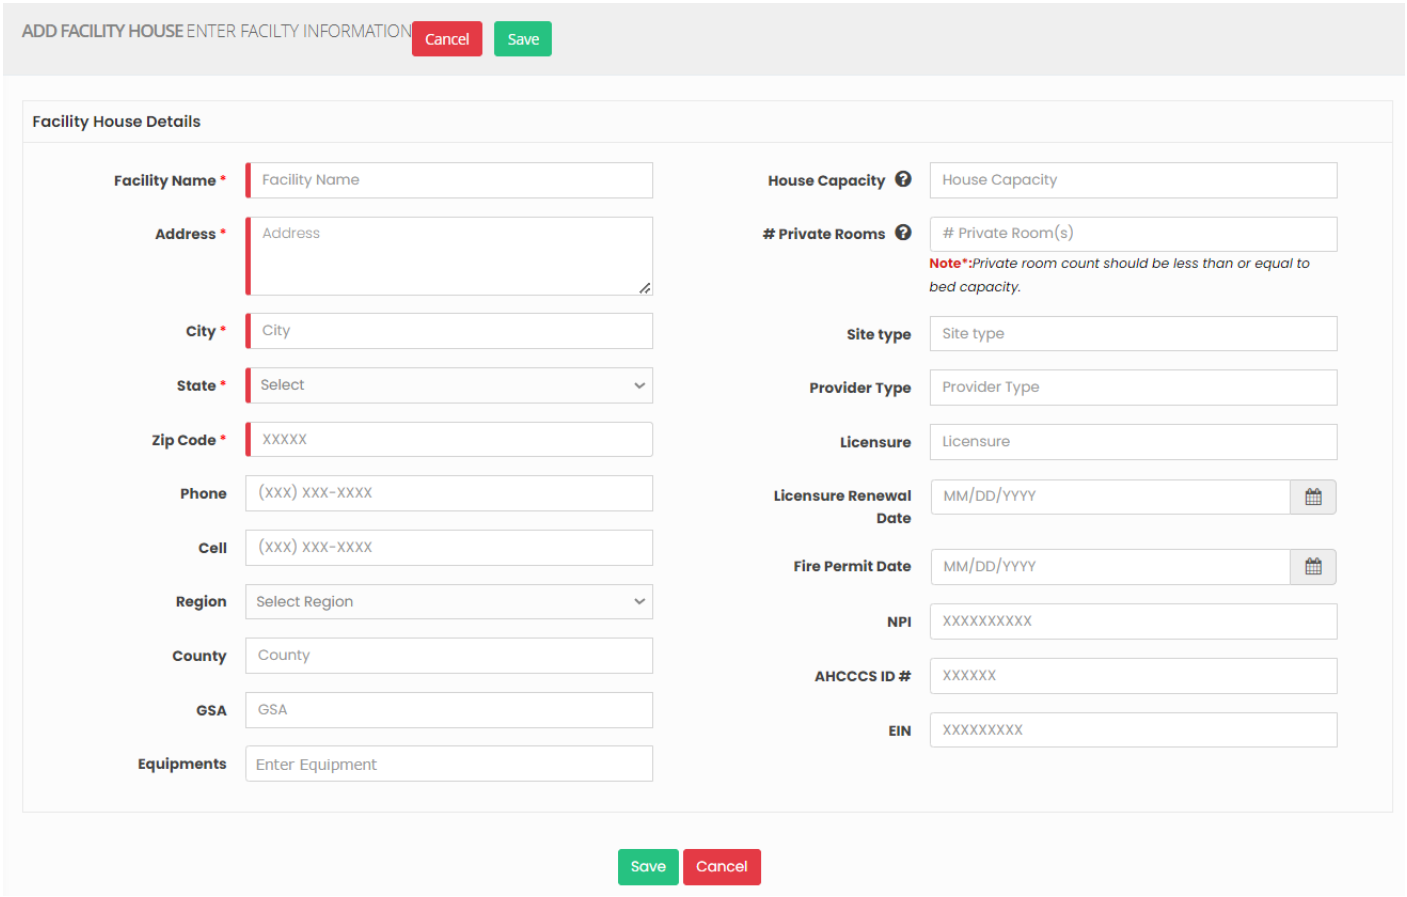

Adding Facility House

The Facility house can be added in the system under the feature Settings.

> **Settings >> Facility House >> +Add option**

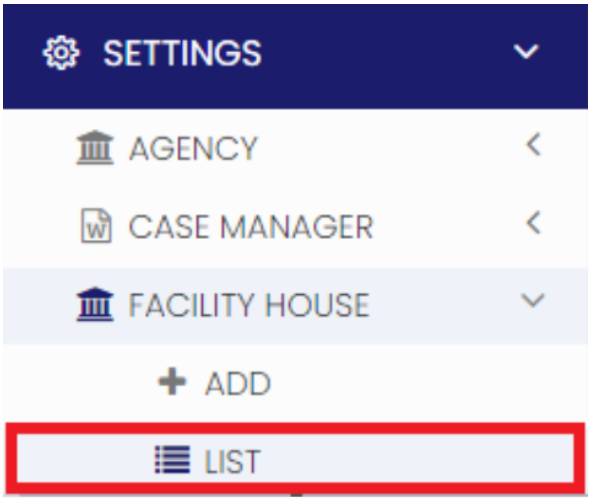

Update the Facility House Details in the required fields and Click Save option.

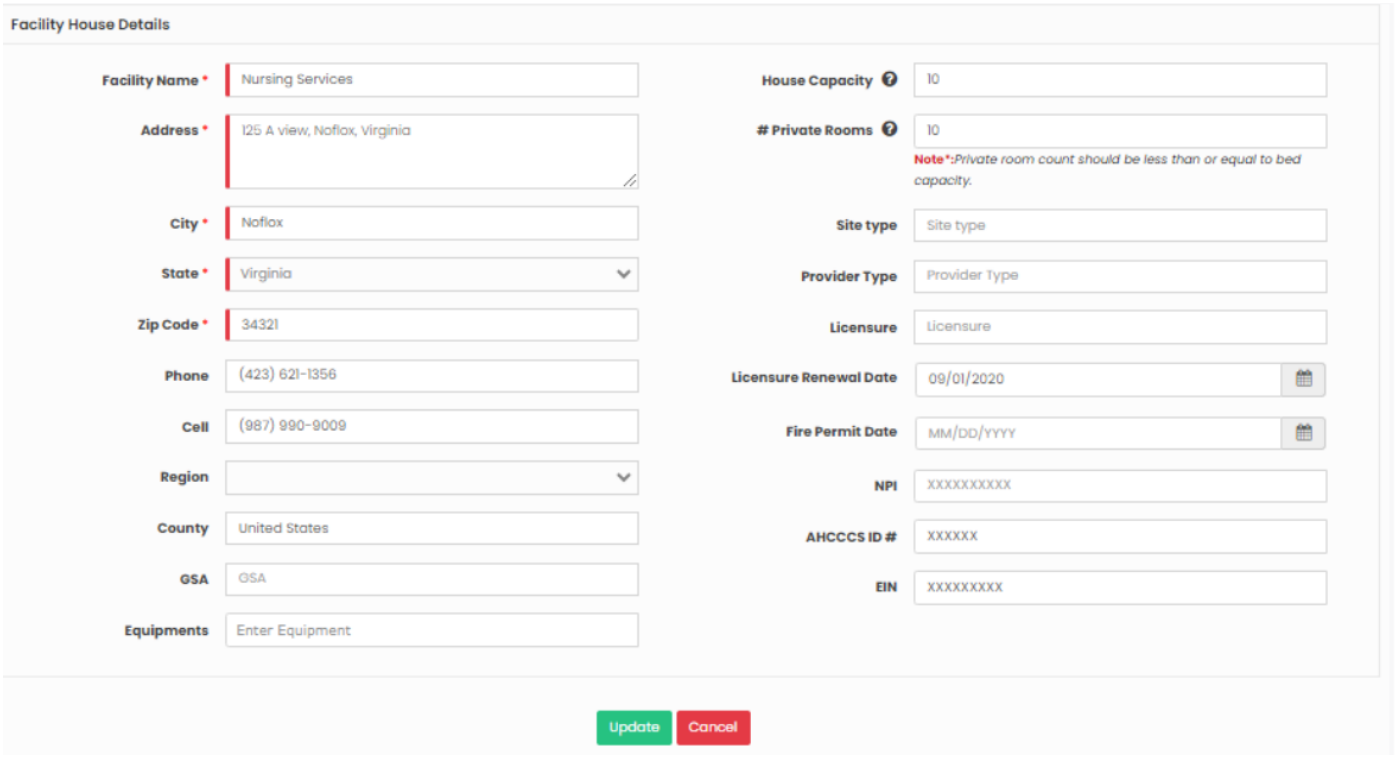

Editing Facility House

The facility house details can be edited by using the option Edit on the right side of the screen in Facility House List.

> **Settings >> Facility House >> List**

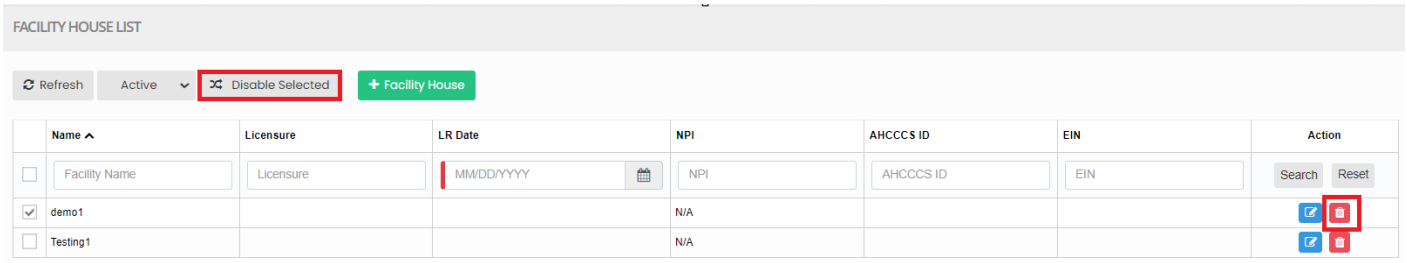

The user can edit the required information in the Facility House Details and Click Update option.

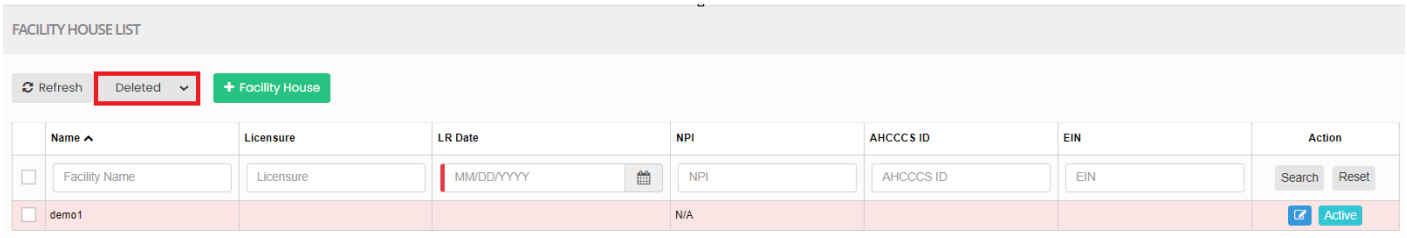

Delete Facility House

> **Settings >> Facility House >> List**

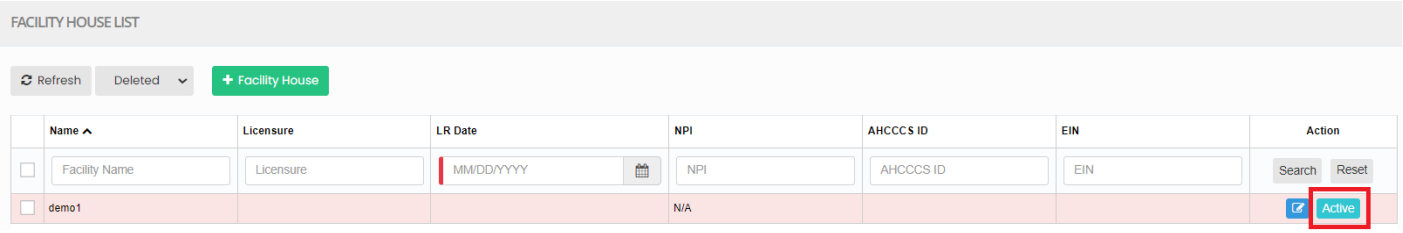

Select the Facility House from the list using the check box and click Delete or Disable Selection option on the screen.

Now, the Facility House gets deleted and we can view the Facility House details under Deleted list.

The user can also Restore the deleted Facility House details by using the option Active on the right side of the screen.
