# Login

A login web application is a digital platform that enables users to access restricted online services by providing valid credentials, typically a username and password.

## Login Credentials for Myezcare Web Application

- URL: (company name).myezcare.com
- User Name: (Check myezcare email - Employee Registration Notification)
- Password: Create your own strong password with 10 Digit ( using uppercase, lowercase, numbers and symbols)

The screenshot displays the MyEZcare login interface. On the left, a dark blue sidebar contains the 'Login into account' section with fields for 'Username' and 'Password', a 'Remember' checkbox, a 'Forgot Password?' link, and a red 'LOGIN' button. Below these are links to download the app on Google Play and the App Store. The top right of the sidebar features the MyEZcare logo with the tagline 'simple yet Powerful'. The main content area on the right has a light blue background and includes an 'Announcement' section with a megaphone icon, titled 'What's new in Ver. 2.1.36' and dated '6/24/2023'. This section lists 'Bugs' (UI issues fixed) and 'Features' (Adult Daycare options, schedule changes, and patient information updates). A feedback note at the bottom encourages users to email [helpdesk@myezcare.com](mailto:helpdesk@myezcare.com).

If the Account has been locked due to incorrect password, the user can use the option Forgot Password to unlock the account.

# Login into account

Use your credentials to access your account.
