Employee Billing Report

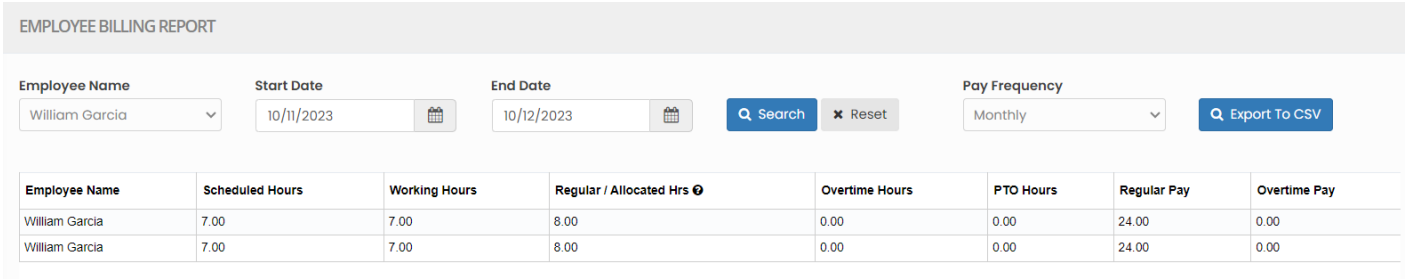

Employee billing hours refer to the number of hours worked by caregivers providing services to patients in their homes. These hours are vital for calculating employee compensation, compliance with labor laws, and accurate documentation of care, ensuring proper reimbursement and quality patient care.

> **Timesheet >> Employee Billing Report**

To run the Employee Billing Report, the user can select the Employee from list and update the Start Date and End Date and click Search option. The Employee working hours, Over time hours and pay details can be viewed in this screen.

The user can set the Pay Frequency for paying the Employee for their visits in the system. Click Pay Frequency dropdown option and select the Pay Frequency.
