

Login

A login web application is a digital platform that enables users to access restricted online services by providing valid credentials, typically a username and password.

Login Credentials for Myezcare Web Application

- URL: (company name).myezcare.com
- User Name: (Check myezcare email - Employee Registration Notification)
- Password: Create your own strong password with 10 Digit (using uppercase, lowercase, numbers and symbols)

The image shows a screenshot of the MyEZcare web application interface. On the left, there is a dark blue login form titled "Login into account" with the subtitle "Use your credentials to access your account." It includes input fields for "Username" and "Password", a "Remember" checkbox, a "Forgot Password?" link, and a red "LOGIN" button. Below the login form are buttons for "GET IT ON Google Play" and "Download on the App Store". The MyEZcare logo is in the top right corner of the login section. On the right, there is a light blue announcement section titled "Announcement" with a megaphone icon. It features the text "What's new in Ver. 2.1.36" and "Posted On: 6/24/2023". The announcement lists "Bugs" (Some UI Issues fixed on referral timeslot issues like days dropdown and +1 day etc.) and "Features" (On Adult Daycare - Added option for skipping patient task list, Change Schedule hyperlink added in the ClockIn Out list on Dashboard, Patient schedule days name information added on a patient schedule list). At the bottom of the announcement, it says "Your feedback is very valuable to us to improve the features and enhancement. Please provide your feedback by emailing us at helpdesk@myezcare.com".

If the Account has been locked due to incorrect password, the user can use the option Forgot Password to unlock the account.
