# Login

A login web application is a digital platform that enables users to access restricted online services by providing valid credentials, typically a username and password.

## Login Credentials for Myezcare Web Application

- URL: (company name).myezcare.com
- User Name: (Check myezcare email - Employee Registration Notification)
- Password: Create your own strong password with 10 Digit ( using uppercase, lowercase, numbers and symbols)

The screenshot displays the MyEZcare login interface. On the left, a dark blue sidebar contains the 'Login into account' section with fields for 'Username' and 'Password', a 'Remember' checkbox, a 'Forgot Password?' link, and a red 'LOGIN' button. Below these are links to download the app on Google Play and the App Store. The top right of the sidebar features the MyEZcare logo with the tagline 'simple yet Powerful'. The right side of the page has a light blue background with an 'Announcement' section titled 'What's new in Ver. 2.1.36', dated 6/24/2023. This section lists 'Bugs' (UI issues fixed) and 'Features' (Adult Daycare skip option, schedule hyperlink, and patient schedule days). A feedback note at the bottom encourages users to email [helpdesk@myezcare.com](mailto:helpdesk@myezcare.com).

## Announcement

### What's new in Ver. 2.1.36

Posted On: 6/24/2023

**Bugs:**

- Some UI Issues fixed on referral timeslot issues like days dropdown and +1 day etc.

**Features:**

- On Adult Daycare –Added option for skipping patient task list, and it's based on permission.  
When we click on the clock-out button then asking Do we want to Skip the Attendance Patient Task if **select yes then skip the task list and redirect to the clock-out page if select no then it renders to the task list page.**
- Change Schedule hyperlink added in the Clockin Out list on Dashboard. Here user can change the scheduled employee and time.
- Patient schedule days name information added on a patient schedule list. And also here we can get schedule-related complete information and we can assign the schedule to another employee.

Your feedback is very valuable to us to improve the features and enhancement. Please provide your feedback by emailing us at [helpdesk@myezcare.com](mailto:helpdesk@myezcare.com)

If the user forgot the password, use the option Forgot Password to login with the application.
