

Payor

In home healthcare, a "payor" is the entity responsible for covering costs. Payors can include health insurance companies, Medicare, Medicaid, private pay and managed care organizations.

Note: All Fields marked with * are mandatory and must be filled out, otherwise the system will generate an error indicating

that the required information is missing.

Adding Payor Details

[Settings](#) >> [Payor](#) >> [+Add option](#)

The user can update the required information in Payer Details and Click Save option.
